TNT Children's Consignment Sale

Thank you for choosing to be a seller at the Riverchase Day School TNT Children's Consignment Sale! The sale is located at Riverchase United Methodist Church and is a great source for gently worn children's clothing, toys, books, furniture, bedding, and MORE!

Here are some things to keep in mind as you prepare for our sale:

- Sellers receive 70% of their proceeds.
 - Riverchase Day School receives 30%.
 - You must have a minimum of 10 items to sell.
 - You have the option to discount your items. If "yes" is entered on the reduction option of your tags, the price will be reduced by 50%. Sellers will receive 70% of the reduced selling price.
 - You have the option to donate your items. If your item is rejected or doesn't sell, it will be donated to charity. Sellers who opt to donate all rejected and unsold items get to shop earlier!
-

What's new this sale?

- We have eliminated a toy limit, but will be very selective.
- We are accepting puzzles. Preschool board puzzles sell best. If it is a used large jigsaw puzzle and we cannot ensure it has all the pieces, it will not be accepted.
- Seller check and item pick up is on Friday from noon until 2pm. You can opt to donate all items when you are entering them into the system in order to automatically have your check mailed to you.
- Pre-sales are on Tuesday, September 13th.
- We will do a re-stock of inventory mid-sale.

Seller Instructions:

Seller Registration: To register, visit our website at www.riverchase-tnt.com and click on “Seller Instructions”. From there, click on new or returning seller registration. A \$10 non-refundable seller fee must be sent via paypal upon registration. Once you have registered, select a Drop-Off Appointment.

Dropping off your items: Item drop off is by appointment only. After registering to sell, please make your appointment promptly via our website under the seller information tab.. When you arrive to drop off, please check in at the front desk. You will be asked to sign a seller agreement and designate a pickup person for your check. You MUST wait for your items to be checked unless you have marked all of your unsold/rejected items to be donated. You may not select to “donate all” after tags have been printed, so be sure to do so prior to printing and tagging everything.

Picking up checks and unsold items: Checks and unsold items that are not to be donated can be picked up during designated pick-up hours (see the schedule for details). Anything not picked up by the end of the designated pick-up time will be donated to charity. If you choose to donate all unsold items, you do not have to come in person to pick up your check. Your check will be mailed to the address on file. You MUST know your seller number to pick up your check, and only the designated person will be permitted to pick-up. You can designate a pickup person at drop-off.

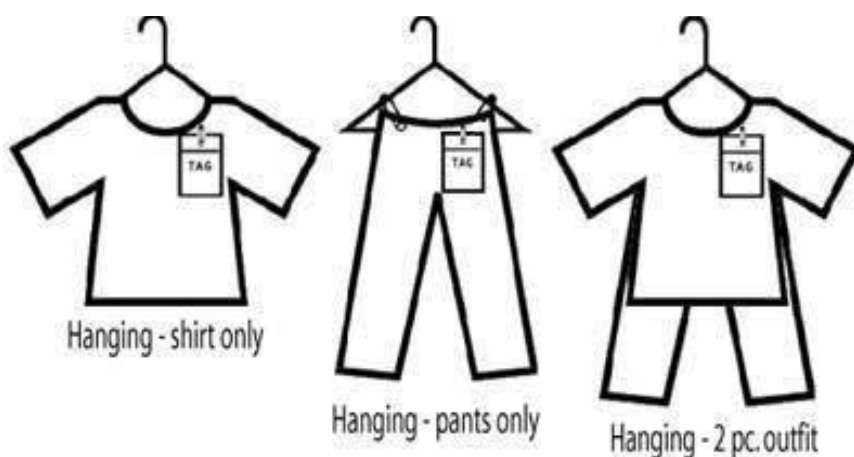

Donating All Items: If you choose to donate all of your rejected and unsold items, you must designate this in our system as you enter your items. You may NOT change this designation at drop off. Sellers who select “donate all” must notify the volunteer at check-in. At that time you’ll receive information to shop early and will be able to leave with no wait!

Instructions on how to enter inventory & tag items: PLEASE READ THOROUGHLY AND CAREFULLY

1. Go to www.riverchase-tnt.com and click on Seller Information. Be sure you've registered as a seller & made a drop-off appointment per the links you'll find there.
2. Click "Item Entry & Tag Printing"
3. Login with your consignor number & password created during registration
4. Click on "Work with Consigned Inventory"
5. Click "Work with My Consigned Items (Active Inventory)"
6. Enter your inventory.
 - **Refer to the accepted categories list and unaccepted categories list below.**
 - Make sure size is listed & note **BOY** or **GIRL**. Number sizes only please; no S, M, L, etc. Just estimate if your item is sized in S, M, L, XL, or if there is no size listed. Include details in the description such as slim, long, etc.
 - Description should be fairly brief (color, brand, type, design, shirt, dress, etc.)
 - For toys, please determine the general age.
 - Items must be priced \$1.00 or higher & only in whole or half dollar increments.
 - Price at 1/3 of purchase price if in EXCELLENT condition, 1/4 for FAIR/GOOD condition.
 - Items of lesser value can be combined with like items (i.e. pj's, onesies, etc.).
 - Items designated reduce will be reduced by 50% on selected discount days.
 - Items designated donate will be donated to charity if not sold/not accepted. We **highly** encourage you to donate anything not sold. Donations benefit local charities, and it eliminates the need for you to wait on rejected items at drop off or come back and pick up unsold items at the conclusion of the sale. You may not change this designation at drop off.
 - Once you enter your items, things that do not sell will remain in your inventory and you can make them active for a future sale.
7. Once all inventory is entered, click "Print All Tags"
 - Printing tags or an inventory list can be performed at any time.
 - Please print ALL tags on **WHITE CARDSTOCK** so bar codes will scan properly (regular paper is too thin and will tear easily). Before printing make sure your ink/toner level is sufficient and printer cartridges are aligned properly. Please check to see that your print quality is set to "normal" rather than "best quality" (this will print too dark).
 - After printing tags, make sure the bar code is CLEAR with no smudges or smeared ink. Cut tags along the lines and attach properly (see below, and refer to our website for photos/videos).
 - Please do not reduce the size of your tags. They will not scan properly if you do so.
 - **PLEASE DO NOT PUT TAPE OVER BARCODES.**
8. Hang, tag, and package each item accordingly. Use wire hangers only!
9. Be sure you've signed up for a drop-off time! You can find sign up on the "Seller Information" page of our website. Bring all properly tagged items at your assigned time.

Tagging Tips & Tricks:

- *For specific details and images on tagging, packaging and hanging, please refer to the Hanging & Tagging tab on our website.*
- Launder all clothes and washable items before you get started. Treat stains as needed. Remember that clothes with an odor or with stains will not be accepted.
- All clothes must be hung on wire hangers & tags must be printed on white **cardstock**.
- Hanger hook must open to the left, and the tag must be pinned on the right side of the garment with safety pins. No straight pins. See photo below.
- If your clothes are turned the wrong direction on the hanger you will need to correct this before check-in. We cannot do this for you.
- Use ziploc bags for packaging other items such as shoes or small toys, and secure tag on the outside using packing tape. Do not cover the barcode.
- You can attach the tag to larger miscellaneous items (i.e. furniture, strollers, bouncy seats, large toys, bikes, pack n plays, etc.) using packing tape or a safety pin. Do not put packing tape where it will damage the item and be sure not to cover barcodes. If needed, use ziplocs to hold smaller pieces that go with a larger item, and secure the ziploc to the item along with the tag.
- Please make sure all items are properly and securely tagged. We're not responsible for lost tags.
- Do not tie, wrap, or rubber band items together.
- Put clothing in order based on gender & size for drop off.
